

2014 Iowa City Boys Baseball Sponsorships

Iowa City Boys Baseball (ICBB) is open to Iowa City area players from 5 to 12- years old. ICBB provides an environment where games are competitive and players can learn baseball from its most fundamental stages to its technical aspects. Most of all, ICBB provides an inclusive opportunity for players from across school and neighborhood lines to learn about sportsmanship, leadership, and becoming a good teammate.

Games are played 4-5 nights per week on the Bobby Oldis Fields in Iowa City Park from May-June.

The ICBB Board of Directors intentionally keeps registration fees low so no player is excluded based on financial concerns. We augment our budget with annual sponsorship programs that allow the league to provide important services, such as:

- Playing equipment, including bats, helmets, pitching machines, and batting cages.
- Field maintenance and upgrades.
- Game day expenses, such as umpire fees.
- A registration fee scholarship program to keep the league open to families who need financial assistance.
- Taking care of ICBB's long term needs, including facility upgrades like safety nets over the bleachers, structures to provide shade for spectators, and lighting more fields to allow for expanded league play.
